ENIGMATIC COWBOYS LOOK TO GET BACK ON TRACK IN KC – The 2009 NFL on FOX campaign rolls into Week 5 on Sunday, Oct. 11 with singleheader coverage of five exciting matchups—each presented in crystal clear HD. Following another inconsistent performance last week in Denver, **Tony Romo** and the up-and-down Cowboys face another AFC West opponent in the Chiefs at 1:00 PM ET. **Joe Buck**, **Troy Aikman** and **Pam Oliver** call all the action live from Arrowhead Stadium. Then, **Brett Favre** & **Adrian Peterson** lead the 4-0 Vikings on the road as they take on **Steven Jackson** and the Rams. In Philadelphia, the Eagles welcome **Donovan McNabb**'s return to the lineup against the Buccaneers. To round out the 1:00 PM ET action, the Redskins head to Carolina to play the Panthers. At 4:00, **Matt Ryan** and the Falcons are in San Francisco to battle the 49ers and **Mike Singletary**'s vastly improving defense.

Coverage begins at 12:00 PM ET with America's most-watched pregame show, FOX NFL SUNDAY. **Terry Bradshaw** and **Curt Menefee** co-host the Emmy Award-winning program and are joined by analysts **Howie Long**, **Michael Strahan** and **Jimmy Johnson**. The crew is joined by NFL Insider **Jay Glazer** who presents the latest league news and scoops in the FOX NFL SUNDAY studio and comedic prognosticator **Frank Caliendo** contributes his weekly "Frank's Picks" segment. LYNCH: CRABTREE'S SPEED AND EXPLOSIVENESS WILL HELP THE 49ERS – FOX Sports analyst **John Lynch** is impressed with the NFC West leading 49ers and is pleased WR Michael Crabtree has finally come to his senses. "**Michael Crabtree** will help the 49ers however, after being around **Mike Singletary** last week he will have to earn his way onto the field. I'm glad that Crabtree has come to his senses and gotten himself closer to being on the field. Whether it was bad advice or just a bad decision on his part, he has already cost himself dearly. Crabtree is explosive and when **Frank Gore** gets healthy, defenses will certainly be stacking the box against him and I think **Shaun Hill** may be the most underrated football player in the NFL."

BILLICK ON MARK SANCHEZ'S WEEK 4 STRUGGLES – FOX Sports analyst and former NFL head coach **Brian Billick** assessed NY Jets QB **Mark Sanchez's** hardships this past Sunday. "He better learn from his mistakes because he'll see it again. After being in awe following his first three games, last Sunday was the first time we saw Sanchez struggle. He made mistakes rookies make and he'll see that defensive attack again because this is a copy cat league. As a coach, we'll see it on film, steal it and take credit for it. Sanchez should expect to see some of those trap-looks that **Gregg Williams** threw at him down in New Orleans from other teams."

ROSENTHAL: YANKEES OWN THE TWINS – Following last night's 12-inning thrilling Twins/Tigers finish to put Minnesota into the postseason, MLB on FOX reporter Ken Rosenthal sees the Yankees drawing the Twins as a clear advantage for the Bombers. "It's definitely easier for the Yanks to play the Twins than if they were to face the Tigers. The Yanks OWN the Twins: 7-0 this season, 23-3 at Yankee Stadiums new and old in the regular season since **Ron Gardenhire** took over as manager. The Tigers would have had a puncher's chance with Justin Verlander potentially starting two games. The Twins' starters are not power pitchers. The Yankees could devour them," said Rosenthal.
